

# NEWLOTHROP AREA PUBLIC SCHOOLS

January 11, 2021

Dear Students, Parents/Guardians, & Staff,

We were notified today, January 11<sup>th</sup>, that a student in our Jr./Sr. High School has tested positive for COVID-19. After consulting with the Shiawassee County Health Department, contact tracing was deemed unnecessary due to the fact that the student had not been on campus for seven days.

Please continue to monitor your child(ren) for signs and symptoms of COVID-19 and do not send your child to school if they are ill. COVID-19 symptoms can include but are not limited to cough, fever, shortness of breath, new loss of taste or smell, headache, nausea, vomiting, and diarrhea. If you note any of the following signs or symptoms in your child, please contact your healthcare provider or seek a COVID-19 test by calling 2-1-1 or visiting [www.michigan.gov/coronavirustest](http://www.michigan.gov/coronavirustest).

We appreciate your continued support of keeping our staff and children healthy.

Sincerely,

Anthony Berthiaume, Ph.D.  
Superintendent
