# Student Placement Request

FOR THE  
2022-2023 SCHOOL YEAR

Educationally based student placement requests will be considered when class lists are created. As current grade level teachers begin placing students in classes for next year, they will consider the learning needs of the grade level as a whole- therefore we cannot guarantee that requests will be honored.

**Note:** We **do not** take requests for specific teachers or for friends to be placed in the same classroom.
