

First and foremost, we hope you are staying safe and healthy during these unprecedented times. For many years, our Financial Aid Advisors have visited area high schools to provide financial aid information. Although we are not able to physically visit high schools this fall, we are pleased to share the information in a new virtual format.

Our presentation includes general information about financial aid (grants, scholarships and loans) as well as important tips for completing the FAFSA.

Financial Aid Overview Presentation**

Remember these 6 Steps to Financing Your College Education

- Apply for your FSA ID
- Complete the FAFSA Early
- Apply for Scholarships
- Respond to School Requests Timely
- Compare Financial Aid Offers
- Look for your College's Net Price Calculator:
(baker.studentaidcalculator.com)

Set up your FSA ID (Student and Parent)

- Apply at: <https://studentaid.gov/fsa-id>
- Parent and student will each need their own FSA ID
- Use an email that will not become inactive
- Save ID, password and security questions/answers
- Video: [How to Create Your FSA ID](#)

Complete the FAFSA

- Apply at [Fafsa.gov](https://fafsa.gov)
- Download the MyStudentAid Mobile App
- 2021/22 FAFSA uses 2019 Tax Information
- Video: [How to fill out the FAFSA](#)

Apply Early!

- The FAFSA is available October 1
- Michigan Tuition Grant/Scholarship deadline is March 1
- Colleges/Universities deadlines vary
- Funding may be awarded on a first-come, first-served basis
