## End of the Day Student Pickup

### ATTENTION PARENTS;

If you are picking your student up from the west parking lot at the end of the school day, we kindly ask that you park your car in the lot and wait for your student to exit the building, rather than parking next to the sidewalk along the building. It is becoming a safety issue, as overflow cars are stopped in front of the high school and blocking traffic exiting from the east side.

Thank you for helping us keep all of our students safe!

## Stay Connected

We want to make sure that our NLHS families have access to up-to-date announcements and information! We publish a monthly newsletter that can be found on our school Facebook page and our school website. Make sure you are signed up for School Messenger and Remind messages and check out our school Facebook page for Daily Announcements.

Parents are also encouraged to check their student's PowerSchool frequently. If you need information on setting up your Parent PowerSchool account, please contact the office.

## SAT Success Workshop
