Calling 8th graders to become Shiawassee Scholars

Are you a parent or guardian of a high achieving 8th grader? The Shiawassee Regional Education Service District (SRES) invites you and your child to attend an informational meeting about academically advanced opportunities. The meeting is hosted by the Shiawassee RESD on **Tuesday, October 3rd at 7:00 p.m.** at the SRES Professional Building, 1025 N. Shiawassee St, Corunna 48817.

This meeting will include information on SAT testing, Shiawassee Scholars, and how to register for the SAT test. To apply to be a Shiawassee Scholar, the 8th grade student must take the SAT on or before December 2, 2023. An SAT testing opportunity will be held in December at Owosso Middle School.

The top 50 eighth grade students in the county, as determined by their scores on the SAT, will be invited to become Shiawassee Scholars! The Shiawassee Scholars is a collaborative program between the Shiawassee RESD and The Cook Family Foundation. The program seeks to recognize talented students early and encourage them to challenge themselves academically throughout their high school years. It is the mission of the Shiawassee Scholars program to support these students through various opportunities and resources to reach their full potential.

If you have any additional questions, or would like SAT practice test links, please visit www.sresd.org, or contact Kelsee Gewirtz at gewirtz@sresd.org or 989-743-3471.
