The survey is being administered by the MASB Executive Search team on behalf of the district and takes about ten minutes to complete. Anonymous individual responses will be combined with those from the face-to-face meetings with stakeholders to provide important community and district-wide input to the New Lothrop Area Public Schools Board of Education as it seeks to identify the best candidate for the position.

Any questions should be directed to Greg Sieszputowski, Director of Leadership Development and Executive Search Services at 517.327.9224 or gregs@masb.org.
